CHRISJOLLY
OUTDOORS
FISHING • HUNTING • CRUISING

Meet, eat, fish, shoot and party - all in the one location

Chris Jolly Outdoors firmly believe in mixing business with pleasure. We have been entertaining companies on and around Lake Taupo for more than 30 years. Our experience, professionalism and love for the outdoors will ensure your team has the adventure of a lifetime.

Why settle for the same old boardroom when you can have your meeting afloat? Team building has never been so much fun. Try a trout fishing or skeet shooting competition for some inter-departmental rivalry.

We have a huge number of packages available for conference and incentive groups as well as corporate or club parties and events. Our range of activities on offer combined with our expertise means we can tailor a package to suit your requirements and your budget.

All of our activities can be combined together to create an experience you'll never forget. For more information go to www.chrisjolly.co.nz or speak to our friendly team today about your next off-site event.

Private charters

With 4, fully equipped launches to choose from, we can entertain groups of up to 140 delegates. Our in-house chef will cater a menu to suit your tastes and budget so your team can sit back, relax and enjoy the ride. All our launches are fully licensed.

Guided bike/hike tours

Taupo is surrounded by some of the most scenic tracks in New Zealand. Packages are available for all fitness levels. Learn about the native flora and fauna while you hike through native bush, around hidden lakes or through the Tongariro National Park. Be met by our launch at the end of your trail for a fishing trip back to the harbour!

Boat and river fishing

Catch a trout on Lake Taupo with Chris Jolly Outdoors. Our experienced and friendly staff will ensure you have the trip of a lifetime! Enjoy lunch or dinner on-board and BBQ your catch. Fly fish in local rivers or heli-fish in remote wilderness streams. Half or full day and group tuition packages are available.

Dinner cruises

Wind down after a long day's meeting on a spectacular sunset dinner cruise. Come aboard in the early afternoon for some fishing then enjoy wine and canapés while you watch the sky turn pink over the snow capped mountains in the World Heritage Tongariro National Park. Enjoy a sumptuous BBQ dinner and take advantage of the fully stocked bar and karaoke.

Meetings a-float

Hosting your meeting on the water is an amazing way to inspire new ideas with zero interruptions. 'Meetings A-Float' packages are flexible and can include the charter, refreshments, catering and a tackle box with all the desk top essentials. All launches have sound systems and screens/tvs can be arranged.

Themed parties

Whether your company is having a product launch, motivational sales conference, or you are celebrating your Christmas party, a themed party on the lake is always a really fun and memorable occasion. We can decorate the boats to suit and create a menu and drink options to compliment your theme.

Simply the best in outdoor entertainment
