

CONTRACTOR/VISITOR HEALTH & SAFETY INDUCTION

This Boatyard is a multiple hazard site.

Everybody is responsible for their own and others health and safety under the Health and Safety at Work Act 2015.

Boatyard PPE requirements

- Covered footwear
- Eye protection when using or near power tools when being used
- Comply with any work at height requirements including protecting pedestrians from falling objects.

Additional PPE requirements may be required when entering other business spaces other than Chris Jolly Outdoors Parking or Office.

If you have a safety issue or need to report a safety risk/incident, please speak with Chris Jolly Outdoors Office.

In the event of an emergency, raise the alarm by notifying other personnel, exit to the designated assembly point at the front gate, and call 111.

First aid kits & Fire Extinguishers are located in all business locations.

Being under the influence of alcohol and drugs is not tolerated.

No smoking anywhere other than the designated assembly area.
