Chris Jolly Outdoors*

## PLANNING YOUR PRE WEDDING PARTY INFORMATION

### CREATING EXPERIENCES OF A LIFETIME

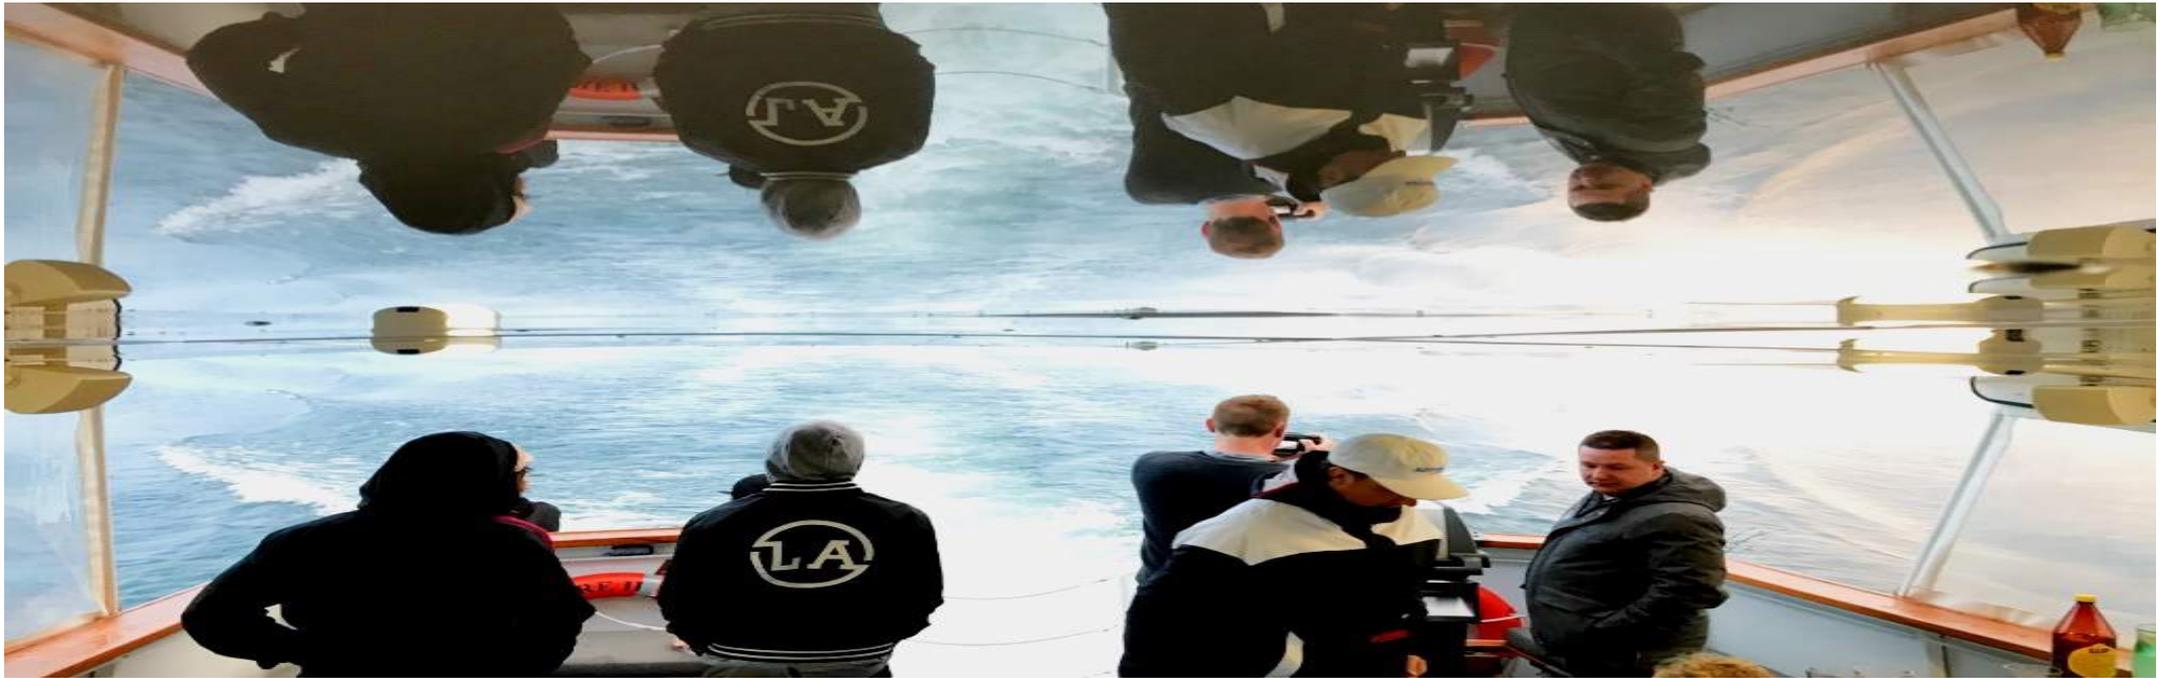

Founded in 1980 by the Jolly's, our team loves having a great time outdoors and sharing that with people like you. People who love fishing, hunting, getting lost in the wilderness, having a few drinks on the boat and talking tall tales with a glass of red under the stars. People who like a hearty meal, a smiling face when they're getting served, and to sing a bit too loud when they've had a few too many. People like you, who want to remember their life for what they did and the stories they lived. So it makes sense, if you want to do it right the first time, to do it with us.

### WHAT WE CAN OFFER

As the largest outdoor activity provider in Taupo you can choose to create your itinerary with us. As a Gold Qualmark level company, we pride ourselves on ensuring our clients are welcomed onto our doorstep in style, and work with you to create a memory you cherish forever.

On the water we have four charter vessels which can cater for small parties or groups as large as 120 people. The boats are equipped with all amenities, and we have full catering available on board. Sound systems, dance floors, full bar facilities and some of the best bombing platforms on the Lake are just a few of the options. For the more discerning hens and stags we can offer outdoor fishing adventures, bush escapes and adventure packed activities which we can give you more information on (tutus not compulsory).

### **BOAT CHARTERS**

The minimum time for a charter is two hours and if you choose to clay bird shoot and fish a minimum of three hours is recommended. The Maori Rock Carvings which can only be seen from the water can be visited, and as part of your booking you will be entertained by your personal Skipper and crew. Boat charters are charged on a per person rate for groups over 15 people, or a bulk price per hour for the boat for smaller groups. We can accommodate small groups or large ones up to 120 people.

### **CATERING ON BOARD**

We have a full commercial kitchen that can provide you and your guests with dining on board the boat. From gourmet steak sandwiches to canapes, or 'cousin Jocelyn's' vegan tofu burgers – we can create a menu the crew will love.

### **PACKAGES**

To make it easier for your group, if you let us know what you've got to work with per head, we can create an all inclusive package for you. Of course the more you spend, the more you'll get – but for a minimum price we can wiggle things around to include the boat, food and some beverages with fishing gear and clays. We will work with you to make sure your boat trip is everything you want it to be.

## DEPARTURE TIMES

Because the boys tend to be a little rowdier than the refined ladies, our latest departure for all stag do's is 2pm. Ladies can eek out into the sunset a little further due to good behavior. We can organize taxis for you from the harbour after your charter.

## HEALTH & SAFETY

We have been entertaining clients for over forty years, and with your safety at the forefront of our minds, we do not offer BYO on any of our Hen or Stag trips. This is because we have seen a few hairy moments over the years, and we want to work with you to ensure you get to the alter in one piece. Instead, we can offer some packaged deals which ensure you have a good time without the risk of ending up in the drink.

## ENTERTAINMENT

We can arrange your entertainment for the boats on request with reputable companies. Alternatively Ladies you may be able to bribe a Skipper to do a Tom Jones rendition to save on cost.

## WEATHER & WHAT TO BRING

Depending on the time of day you are going out, it is always recommended to bring some clothing layers on the Lake. Even if it is raining the boats have full under cover areas with heating if required. Sunglasses are always a must, and in the warmer weather bring your togs and towel on board as well. Most importantly bring a seatbelt – so you can buckle yourself in for a great time!

## HOW TO BOOK

Contact our team at [bookings@chrisjolly.co.nz](mailto:bookings@chrisjolly.co.nz) or call the office on **+64 7 37 80623** and let us know when you are thinking of coming. Due to the summer being a busy time for our charters, it is best to book in advance. Let the team know what you are wanting to do and what budget per head you are working with.

## SAMPLE ITINERARY A THREE HOUR HEN/STAG BOAT PACKAGE

- 12pm: Depart Taupo Boat Harbour with your mates onto the Lake with your favourite music cranking
- 12.30pm: Shoot some clays and win some points
